Disclosures

- ✓ Missing ethics statement
 - It looks like you are missing an ethics statement. It is important that your manuscript includes a statement on ethics approval if your research includes studies on human subjects, human data or tissue, or animals. If your manuscript does include these studies but the statement is missing, it could cause delays. For more information about ethical statements, please visit [here](#).
- ✓ 3 checks passed!
 - Found Conflict of Interest statement
 - Data access statement found
 - Funding statement found

Figures and tables

- ✓ 3 checks passed!
 - All figures have citations.
 - Figure legends are in order.
 - No tables were detected in the manuscript.

Structure

- ✓ Abstract is not a structured abstract
 - It looks like the abstract is not structured. It is recommended that the abstract follows a structured format to help readers quickly understand the study.

How effective was the report?

 Outstanding

 Acceptable
